

A great classroom...a better education

A new way to help our school's classrooms get the learning tools and supplies students need while earning **2% cash back** for our school with every purchase!

How to earn through My Class Essentials™ registry

Teachers create a free, online registry for their class, filled with the items and supplies needed for their classroom.

Parents can view their child's classroom registry, purchase the items that are needed or donate money to the classroom registry.

The classroom, students and teachers get the items they need and our school earns a **2% cash donation** on every purchase.

With **over 6,000 student and classroom materials** for teachers to choose from for their registry, there are so many ways for school supporters to help.

Whether you're a parent, a teacher, or just someone who wants to support the classrooms and students at our school, this is a great way to help teachers get the supplies they need for their classrooms – and to earn a little **extra cash for our school** at the same time.
