

SAINT BRENDAN “SCRIP TUITION SAVER'S CLUB”

What do I have to do to earn tuition credit with the SCRIP program?

There are 2 steps to take to earn tuition credit with the SCRIP program.

1. Join the “SCRIP Tuition Saver's Club”. Complete and submit the attached enrollment form to the SCRIP Program Coordinator.
2. Place orders for SCRIP online (stbrendanormand.org), after the 9:30 Mass on Sunday in the Social Hall or before and after school through the SCRIP Program Coordinator.

How much tuition credit will I earn?

The profit from all of your SCRIP purchases will be shared 50/50 between your tuition credit account and the HSA for ongoing, funded projects. So the more you purchase through the SCRIP program, the more you earn toward tuition credit, and the more the school will benefit as well.

How much tuition credit can I earn by purchasing SCRIP?

That depends on what SCRIP you purchase and how much. Here is an example

<u>Vendor</u>	<u>Discount</u>	<u>Total Purchase in one month</u>	<u>Profit</u>
Winn Dixie	4.00%	\$300.00	\$12.00
BP Gas	2.00%	\$200.00	\$4.00
Lowe's	4.00%	\$100.00	\$4.00
Blockbuster Video	7.00%	\$30.00	\$2.10
Walgreen's	6.00%	\$100.00	\$6.00
Red Lobster/Olive Garden/Longhorn Steaks	9.00%	\$75.00	\$6.75
Payless Shoes	13.00%	\$50.00	\$6.50
Macy's	10.00%	\$50.00	\$5.00
Barnes and Noble	9.00%	\$50.00	\$4.50
	TOTAL	\$955.00	\$50.85

It is reasonable that a family might make these purchases (all routine expenses that you would pay for anyway) and raise \$50.85 in one month. The family will get 50% of the profit from their SCRIP purchases in the form of tuition credit. If they continued at this participation level for the remaining 11 months, they would raise a total of \$610.20 in a year and 50% of that (\$305.10) will be credited to their tuition bill. And, if they have family and friends who participate and assign their purchases to your account, they will earn even more tuition credit. There is no limit to the amount of tuition credit you can earn!

SAINT BRENDAN “SCRIP TUITION SAVER'S CLUB”

Can other people participate in the SCRIP program?

YES. Anyone can participate in the SCRIP program. Parishioners without families at St. Brendan School can assign their credits to a “Tuition Assistance Program” that is being established utilizing these funds. They must complete an enrollment form to do so.

How will my tuition be tracked?

We have a software program that was developed specifically for this purpose. Our SCRIP volunteers use this program to enter and process all SCRIP purchases and to maintain ongoing records. You will receive regular updates of your earnings as well as any earnings from other family or friends who contribute and assign their tuition credit to your account. Updates will also be available upon request from the SCRIP coordinator.

I don't have children in school, should I join the St. Brendan SCRIP Tuition Saver's Club?

You certainly can if you wish. You can assign your tuition credit to the St. Brendan Tuition Assistance Fund which is being developed to provide a Catholic Education for students and families who otherwise would be unable to matriculate at St. Brendan Catholic School.

Can I still order Scrip without joining the club?

Yes, 100% of the profit will go to the HSA to fund ongoing (yearly) projects.
