

TUITION 2012-2013

As we continue with these challenging economic times, St. Brendan School is partnering with parents in an on going effort to keep our tuition affordable for our families. Therefore, there will be no increase in tuition again this year. The 2012 – 2013 tuition for one child is noted below.

Please note that due to anticipated high enrollment, active Catholics (attending Mass weekly, using the envelope system, and participating in church ministries) will be given first preference for seats.

St. Brendan Tuition Rate

\$5300 per year/\$482.00 per month per child for 11 months.*

First month payment due at time of registration

Second payment and subsequent payments begin August 2012.

Tuition includes:

Registration Fee

Instructional Fee

Technology Fee

Tuition does not include: 8th grade graduation fee, uniforms, hot lunch, after school care, band, dance, or extracurricular activities. St. Brendan School has scholarships/financial assistance available for multiple child families as well as those in financial need. All families seeking aid must fill out a FACTS tuition aid form and meet with our Principal and Pastor to discuss specific scholarship requirements.

****Families registering by March 1, 2012 will receive a 5% discount making tuition \$5035 or \$458 per month for 11 months. The first non-refundable monthly payment is due at the time of registration.***

TUITION can be paid in the following ways:

- In full at the time of registration through FACTS Tuition Management
- Half tuition: One month at the time of registration – remainder paid in July 2012 and in December 2012 through FACTS Tuition Management.
- Monthly – over eleven months through FACTS Tuition Management. First month at registration and subsequent payments August 2011 through May 2012.
